# Policies & FAQ's

**WHEN IS PIZZA TRUCK SEASON?** Year-round in Miami!

## **WHAT STYLE OF PIZZA DO YOU SERVE?**

Harry's Pizzeria serves neo-neopolitan style pizza cooked fresh on-site in our wood fired oven. Our dough is made using unbleached whole grain flour. Our produce is often sourced locally from purveyors we're proud to call our friends.

## **HOW MANY EMPLOYEES WILL YOU BRING?**

Three staff members will be present to man the oven and keep your pizza hot and fresh! They do not, however, maintain your event area, trash, or serve table-side. If you would like additional staff to serve in this capacity, additional event staff are available at a rate of \$30 per employee per hour, at a three hour minimum.

**ARE UTENSILS, PLATES AND NAPKINS INCLUDED?** Yes!

## **HOW FAR WILL YOU TRAVEL?**

Our base fee includes round trip travel within 15 miles of downtown Miami. For travel exceeding 30 miles round-trip, a fee of \$3 per mile applies.

## **HOW MUCH PARKING SPACE IS NEEDED FOR THE TRUCK?**

We require a dedicated and legal parking space about four parking spaces in length (45'x10') to accomodate our truck, pizza oven, and prep tent.

## **HOW DO I SECURE MY EVENT?**

We require a deposit of 50% of your estimated total in order to hold your reservation. Final headcount and remaining deposits are due one week before your event.

## **WHEN CAN I CANCEL MY EVENT?**

Cancellations can be made with a full refund of your deposit up to two weeks before your event date. Cancellations received one week prior to your event are subject 50% charges of projected costs.

## **WHAT ABOUT THE WEATHER?**

Safety is our top priority when traveling with the Mobile Pizza Oven, and therefore we do not travel during high winds or thunderstorms. Due to this precaution, Harry's Pizzeria reserves the right to postpone or reschedule any event due to imclement weather.
